Product Description

Wooden Material Sports Wrist Watch with Durable Leather Band

Product Description:

The watch features a leather strap that provides both comfort and durability, making it ideal for everyday wear. The leather band adds a touch of sophistication and style to the watch, making it suitable for any occasion. The classic design of the Quartz Wrist Watch is perfect for those who appreciate simplicity and elegance.

As an item type, our Quartz Wrist Watch is classified as a Quartz Wristwatch, which means it uses a quartz crystal to keep time. This technology is known for its accuracy and reliability, making it a popular choice for watches.

The Quartz Wrist Watch is made with high-quality materials that ensure its longevity and functionality. The Quartz Watch material science used in this watch is of top-notch quality, making it a valuable investment for anyone looking for a long-lasting timepiece.

Additionally, our Quartz Wrist Watch is compliant with HS Code 9101290010, ensuring that it meets all the necessary specifications and standards for its classification.

Whether you're looking for a men's watch or a lady watch, our Quartz Wrist Watch is the perfect choice. The leather strap and band make it a versatile accessory for both genders. The watch's classic design and reliable technology make it a must-have addition to any watch collection.

Features:

The watch is a modern style dress watch with a quartz movement. The case back features a laser printed logo and the dial is made of brass. The watch is packed in a size of 48cm x 37cm x 28.5cm and has a package weight of 18kgs. It is transported in each watch into an opp bag, with 400pcs per bubble carton and originates from Guangzhou, China.

The clasp type is a push-button hidden clasp and the surface material is mineral glass. The watch is waterproof up to 30m and the glass is made of mineral. The watch bezel is made of alloy and the HS code is 9101290010.

The size of the watch is 15mm and the strap length is 220mm. The strap width is unspecified. The battery life is 1 year and OEM logo customization is accepted. The OEM minimum order quantity is 500pcs, with a 1 color design minimum order quantity of 50pcs. The sample time is 20 days and production time is 30 days after sample confirmation.

The watch is packaged in an opp bag, with 20 to 25pcs per white box and 200pcs per carton. It has a warranty of 1 year and payment terms require a 30% to 50% deposit in advance, with the balance paid before shipment. The audience age range is from 18 to 45 years old.
