Product Description

30 Meters Water Resistant Silicone Strap Watch with Date Display

Product Description:

The watch has a 20mm Band Width, making it suitable for both men and women. The black band color gives it a classic and timeless look that can be worn with any outfit. The Analog Display Type adds an element of sophistication and elegance to the watch that is sure to impress.

The watch's Quartz Movement ensures accurate timekeeping and reliability. This type of movement is known for its precise timekeeping and low maintenance, making it an ideal choice for everyday wear.

The watch also features a Date Display function that allows you to keep track of important dates and appointments. The Luminous Hands make it easy to read the time in low light conditions, making it perfect for nighttime wear.

Whether you're looking for a casual watch for everyday wear or a formal timepiece for special occasions, our Silicon Strap Watch is sure to meet your needs. It combines the durability and functionality of a Digital Electronic Watch with the style and sophistication of a classic timepiece.

Order your Silicon Strap Watch today and experience the perfect combination of style and functionality!

Technical Parameters:

The watch is designed with a focus on movement, utilizing quartz technology to ensure accurate timekeeping. It has a fashionable style, featuring a silicone strap that's comfortable to wear. The watch's case back is printed with a laser logo, adding a touch of elegance. Its dial is made of brass and is designed to be easy to read.

The watch comes in a package size of 48cm x 37cm x 28.5cm and has a package weight of 18kgs. The transport package consists of each watch in an opp bag, with 400pcs per bubble carton. The watch originated in Guangzhou, China.

The watch's clasp is a push-button hidden clasp that enhances the watch's appearance without compromising its functionality. Its surface is made of mineral glass, and it's water-resistant up to 30m. The watch bezel is made of alloy and has an HS code of 9101290010.

The watch's size is 15mm, with a strap length of 220mm and a strap width that's customizable to fit the user's preference. The watch's movement is quartz, and the battery life is one year. It is designed to accept customized logos, with an OEM MOQ of 500pcs, with 1 color design 50pcs.

The watch has a sample time of 20 days and a production time of 30 days after samples confirmation. It is packaged in an opp bag, with 20~25pcs per white box and 200pcs per carton. The watch has a 1-year warranty, and payment terms involve a 30%-50% deposit in advance, with the balance paid before shipment. The watch's intended audience is between 18 and 45 years old.

Applications:

The Miler ML-555 Silicon Strap Watch is a versatile and stylish timepiece that is perfect for a variety of occasions and scenarios. The watch is designed with a sleek and modern look that is sure to complement any outfit, making it a great choice for both casual and formal settings.

One of the key features of the Miler ML-555 watch is its durable and comfortable silicone strap, which makes it ideal for everyday wear. Whether you're running errands, going to work, or hitting the gym, this watch is designed to keep up with your active lifestyle.

The Miler ML-555 watch is also a popular choice for corporate gifting and promotional events. Its sleek design and affordable price point make it an excellent choice for companies looking to give their employees or customers a high-quality gift that they will actually use and appreciate.

If you're looking for a watch to display in your store or boutique, the Miler ML-555 watch is a great option. The watch is designed with a 40mm case diameter, making it easy to display on an acrylic watch stand. Plus, its white dial color and quartz movement make it a popular choice among customers who are looking for a reliable and stylish timepiece.

For customers who want to customize their watch, the Miler ML-555 watch is compatible with a variety of custom watch straps. Whether you want to switch up the color or material of the strap, you can easily create a unique look that reflects your personal style.

The Miler ML-555 watch is manufactured in Guangzhou and has a minimum order quantity of 20pcs. The watch is priced competitively
