Product Description

ML1004 Quartz Movement Silicone Band 30ATM Water Resistant Watch

Product Description:

The Quartz movement of this Classic Mens Wrist Watch ensures accurate timekeeping and reliability. This type of movement is known for its precision and low maintenance, making it a popular choice for watch enthusiasts. The watch also comes with a 1-year Warranty that covers any defects in materials and workmanship.

In addition to its elegant design and reliable movement, the Silicon Strap Watch also features practical functions such as a Date Display and Luminous Hands. The Date Display allows you to keep track of important dates and appointments, while the Luminous Hands make it easy to read the time even in low-light conditions.

Overall, the Silicon Strap Watch is a must-have for any watch enthusiast who values quality, style, and functionality. Whether you're looking for a watch to wear to work, a special event, or just for everyday use, this watch is sure to exceed your expectations.

Applications:

One of the key features of the Miler ML-1004 is its classic design. With a white dial and black band, this watch has a timeless look that will never go out of style. Its luminous hands make it easy to read in low light conditions, while the date display is a handy feature for keeping track of important dates.

This watch is suitable for a wide range of occasions and scenarios. It is perfect for casual wear, such as running errands or meeting up with friends. It can also be dressed up for more formal events, such as business meetings or weddings. The Miler ML-555 is a versatile watch that can be worn with a variety of outfits, from jeans and a t-shirt to a suit and tie.

The Miler ML-555 is also a great choice for those who enjoy sports and outdoor activities. Its durable silicone case material can withstand the wear and tear of an active lifestyle, while its quartz movement ensures accurate timekeeping. Whether you're hiking in the mountains or running on the beach, this watch will keep up with you.

Another great feature of the Miler ML-1004 is its good price. With a minimum order quantity of just 20pcs, this watch is affordable for individuals and businesses alike. Its packaging details of 48cm*37cm*28.5cm make it easy to transport and store, while its delivery time of 3-5 days ensures that you can receive your watch quickly. Payment terms are TT payment in advance, and the watch has a supply ability of 30000pcs/month.

In summary, the Miler ML-555 is a classic mens wrist watch with an elastic band strap that is suitable for a wide range of occasions and scenarios. Whether you're looking for a watch for everyday wear or for sports and outdoor activities, this watch is a great choice. With its good price, durable materials, and accurate timekeeping, the Miler ML-555 is sure to be a popular choice among watch enthusiasts.
