## Product Description

### Malaysia Popular Model Fluorescent Hands Blue Buckle Silicone Strap Analog Watch

#### Product Description:

The Quartz movement ensures that this watch keeps accurate time, making it a reliable and practical choice for everyday wear. Whether you're running errands or attending a business meeting, you can trust that this watch will keep you on schedule. The case diameter of 40mm gives this watch a sleek and modern look that is both stylish and sophisticated. This size is perfect for those who want a watch that is neither too big nor too small, making it a versatile accessory that can be worn with any outfit. Our Silicon Strap Quartz Watch is also backed by a 1-year warranty, giving you peace of mind knowing that your investment is protected. This warranty covers any defects in materials or workmanship, ensuring that your watch remains in top condition for years to come. The buckle clasp type of this watch ensures that it stays securely on your wrist, without the need to constantly adjust or readjust it. This feature makes it an ideal choice for those who lead an active lifestyle, as it can withstand the wear and tear of everyday use. Overall, our Silicon Strap Quartz Watch is a reliable and practical choice for those who want a watch that is both stylish and functional. Whether you're looking for an automatic wrist watch, an automatic mechanical watch, or a quartz watch, this product has got you covered.

#### Features:

Product Name: Silicon Strap Watch

Band Material: Silicone

Water Resistance: 30 Meters

Movement: Quartz

Dial Color: White

Clasp Type: Buckle

This watch is a perfect example of a Quartz Wrist Watch. With its silicone strap, it is durable and water-resistant (up to 30 meters) which means it is perfect for daily wear. Its analogue display and white dial color make it easy to read the time. The buckle clasp type ensures it stays safely secured on your wrist.

#### Technical Parameters:

##### Product Information

This watch is a fashionable quartz timepiece with a silicone strap. The case back is laser printed with a logo, adding to its stylish appearance. The dial is made of brass, making it durable and long-lasting. The watch is packaged in a size of 48cm\*37cm\*28.5cm and weighs 18kgs. It is transported in an opp bag and 400 watches can fit into a single bubble carton. This product originates from Guangzhou, China and has a push-button hidden clasp for added security. The surface of the watch is made of mineral glass, making it scratch-resistant and durable. Additionally, it is waterproof up to 30 meters.

The watch bezel is made of alloy and has an HS code of 9101290010. Its size is 15mm with a strap length of 220mm. The strap width, however, is not specified. The watch operates on a quartz movement and has a battery life of 1 year. The watch can also be customized with an OEM logo with a minimum quality of 500pcs for 1 color design and 50pcs for OEM MOQ.

The sample time for this product is 20 days and the production time is 30 days after sample confirmation. The packaging for this product includes an opp bag and 20-25 pieces per white box, with 200 pieces per carton. Furthermore, it has a 1-year warranty. The payment term for this product is a 30%-50% deposit in advance, with the balance paid before shipment. This watch is suitable for individuals aged 18 to 45 years old.

### Applications:

One of the key features of this watch is its water resistance. With a rating of up to 30 meters, this watch is perfect for those who enjoy swimming, boating, or other water activities. Whether you're looking for an automatic wrist watch or a quartz movement watch, the Miler ML-555 has you covered.

In addition to its water resistance, the Miler ML-555 also features a durable and comfortable silicone strap. This makes it an ideal choice for those who are looking for custom watch straps that are both stylish and functional. Whether you're looking for a watch to wear to the office or for a night out on the town, this watch is sure to make a statement.

No matter what your needs or style preferences may be, the Miler ML-555 is a great choice. With its good price and reliable performance, it is sure to be a great addition to your collection of ceramic wrist watches. So why wait? Order your Miler ML-555 today and experience the quality and style that only this watch can provide!
