Product Description

Custom Logo Watch Designer Leather Waterproof Luxury Women's Watches

Product Description:

The Lady Quartz Watch features an analog display with a case diameter of 30mm, making it the perfect size for any wrist. The display is easy to read and is complemented by luminous hands that make it easy to tell the time even in low-light conditions.

One of the standout features of this watch is the date display, which allows you to keep track of the date as well as the time. This feature is especially useful for those who need to keep track of appointments and meetings.

In addition to the date display, the Lady Quartz Watch also boasts scratch-resistant glass that ensures the watch face stays looking as good as new for years to come. This feature is particularly important for those who lead an active lifestyle or work in a job where their watch is likely to get knocked around.

Overall, the Lady Quartz Watch is a must-have accessory for any woman who values style and functionality. Whether you opt for the Leather Strap Watch or the Silicone Strap Watch version, you can be sure that you are getting a high-quality timepiece that will stand the test of time.
