Product Description

Wholesale Custom Logo Black Quartz Wrist Watch with Buckle Clasp

Product Description:

The Digital Sport Watch features a digital display that shows the time, date, and day of the week. The quartz movement ensures accurate timekeeping, making sure your child is always on time for their activities.

One of the standout features of this watch is its stopwatch function. Your child can time their runs, laps, or any other activity they want to measure. The alarm feature is also handy for reminding your child of important events or tasks.

Another great feature of the Digital Sport Watch is its backlight. This allows your child to read the time in low-light conditions, making it perfect for early morning or late evening activities.

The Digital Sport Watch has a case thickness of 10mm, making it sturdy and durable. The black dial color adds a sporty and stylish touch to the watch, making it perfect for kids who want to look cool while being active.

The watch also comes with a silicone strap, which is comfortable to wear and can withstand the wear and tear of an active lifestyle. The strap is also adjustable, making it easy to find the perfect fit for your child's wrist.

In summary, the Digital Sport Watch is a must-have for kids who love sports and adventure. Its digital display, quartz movement, stopwatch, alarm, backlight, and sturdy build make it the perfect companion for any activity. And with its sporty design and comfortable silicone strap, your child will love wearing it every day.
