## Product Description

# Classic Analog Stainless Steel Luminous Womens Watch with Buckle Closure

### Product Description:

The Lady Quartz Watch is equipped with a quartz movement, ensuring precise timekeeping. The analog display is easy to read, with luminous hands that allow you to read the time even in low-light conditions. The scratch-resistant mineral crystal protects the watch face from damage, keeping your watch looking as good as new for years to come.

With a case diameter of 30mm, this leather strap quartz watch is the perfect size for any wrist. The buckle clasp ensures a secure fit, keeping the watch in place throughout the day. The Lady Quartz Watch is also water-resistant up to 30m, making it suitable for everyday wear and ensuring that it can withstand splashes and brief immersion in water.

Whether you're looking for a watch for everyday wear or a special occasion, the Lady Quartz Watch is a great choice. Its sleek and sophisticated design makes it a versatile accessory that can be worn with any outfit. If you're looking for a digital sport watch, this is not the watch for you. However, if you're looking for a stylish and reliable watch that you can wear every day, the Lady Quartz Watch is the perfect choice.
