## Product Description

### Custom Watch Manufacturer Miler Calendar Sport Water Resistant Men's Watches

#### Product Description:

The watch is also water-resistant up to 30 meters, which means that you can wear it while swimming or doing other water-related activities. This makes it a great watch for those who enjoy an active lifestyle. The watch comes in three band colors: black, golden, and green, so you can choose the one that best suits your style.

The dial color of the Silicon Strap Watch is black, which is a classic and timeless color that goes well with any outfit. The watch features a simple and elegant design, with easy-to-read hour markers and hands. The watch is powered by a quartz movement, which ensures accurate timekeeping.

If you're looking for a watch that is both stylish and durable, the Silicon Strap Watch is the perfect choice. With its alloy case and silicone band, this watch is built to last and is sure to make a statement wherever you go. Whether you're looking for a watch to wear to work or for a night out on the town, the Silicon Strap Watch is the perfect accessory.

For those who prefer a Genuine Leather Wrist Watch, we also have options available in our collection. Our Genuine Leather Wrist Watch features a sleek and modern design that is sure to turn heads. The watch is made with high-quality leather that is both durable and comfortable to wear. The watch comes in a variety of colors and styles, so you can choose the one that best suits your taste.

If you're looking for something a little more unique, we also have Ceramic Wrist Watches available in our collection. Our Ceramic Wrist Watches feature a lightweight and durable design, with a scratch-resistant surface that ensures that your watch will look great for years to come. The watch comes in a variety of colors and styles, so you can choose the one that best suits your style.

#### Applications:

One application occasion for the ML01 is sports and fitness. With its digital display, the ML01 is perfect for tracking workouts and training sessions. The silicone strap ensures a comfortable fit during physical activities, and the buckle clasp secures the watch in place. The ML01 is also water-resistant, making it suitable for swimming and other water sports.

Another occasion where the ML01 can be used is for casual wear. The black and golden color options make the ML01 suitable for both formal and informal events. The silicone material and buckle clasp ensure that the watch stays secure on the wrist, while the digital display ensures that time can be checked with ease.

The ML01 can also be used for outdoor activities such as hiking and camping. The durable silicone material makes the watch resistant to scratches and other damage that may occur during outdoor activities. The ML01 is also water-resistant, making it perfect for outdoor activities that may involve water.

For those who prefer a more traditional timepiece, the ML01 can be paired with a leather wristband to create an analogue wrist watch. The ML01 can also be paired with a Diamond Quartz Watch to create a more elegant and sophisticated look. The Miler ML01 Digital Sport Watch is a reliable and durable watch suitable for various occasions and scenarios. With a minimum order quantity of 20PCS and a good price, the ML01 is an excellent option for those looking for a high-quality digital sport watch. The packaging details are 48cm\*37cm\*28.5cm, and the delivery time is 3-5 days. Payment terms are TT Payment in advance. With a supply ability of 30000pcs/month and features such as band width of 20mm and case material of silicone, the ML01 is a must-have for anyone looking for a reliable digital sport watch.
