Product Description

Hot Sale Sports Casual Green Silicone Smart Digital Quartz Wristwatch

Product Description:

The case material of this watch is made from high-quality silicone, which is durable and resistant to wear and tear. The band width of this watch is 20mm, providing a comfortable fit for any wrist size. The band material of this watch is also made from silicone, which is soft and comfortable to wear for extended periods of time.

The movement of this watch is quartz, which means that it operates with a precise and reliable mechanism that ensures accurate timekeeping. This makes it an excellent choice for those who want an automatic wrist watch that is both stylish and functional.

This watch is perfect for any occasion, whether you're going to work or out with friends. Its sleek design and reliable movement make it a great choice for those who want a watch that can keep up with their busy lifestyle.

When it comes to watches, Fitron Quartz Watches is a brand that is synonymous with quality and style. Our Silicon Strap Watch is no exception, and we're confident that you'll love it as much as we do.

Applications:

One of the primary applications of the Miler ML01 Silicon Strap Watch is in sports and fitness activities. The digital sport watch feature allows users to track their workouts and monitor their progress. The watch is also water-resistant, making it perfect for swimming, diving, and other water sports.

Another occasion where the Miler ML01 Silicon Strap Watch is suitable is in outdoor activities. Its sturdy and robust build can withstand harsh weather conditions and rough terrains, making it an ideal choice for hikers, campers, and adventurers.

The ML01 Silicon Strap Watch is also a great accessory for everyday wear. Its elegant and modern design adds a touch of style to any outfit, and the black, golden, and green band colors provide versatility to match any look.

The Miler ML01 Silicon Strap Watch is perfect for business and formal settings as well. Its classic design and sleek finish make it a great complement to any suit, dress shirt, or formal attire.

The watch is manufactured in Guangzhou and has a minimum order quantity of 20 pieces, making it an excellent choice for resellers and retailers. The good price and packaging details of 48cm*37cm*28.5cm make it a cost-effective option for bulk purchases.

The watch boasts a 40mm case diameter and a digital electronic watch feature, providing precision and accuracy in timekeeping. It has a 1-year warranty, ensuring the quality and durability of the product.

The Miler ML01 Silicon Strap Watch is a perfect alternative to ceramic wrist watches and Fitron quartz watches. It has a supply ability of 30000pcs/month and accepts TT payment in advance.

In summary, the Miler ML01 Silicon Strap Watch is a versatile and stylish watch suitable for various occasions and scenarios. Its digital sport watch feature, sturdy build, and elegant design make it a perfect fit for sports and fitness activities, outdoor adventures, everyday wear, business and formal settings, and as an alternative to ceramic wrist watches and Fitron quartz watches. The ML01 Silicon Strap Watch is manufactured in Guangzhou, has a minimum order quantity of 20 pieces and is an excellent option for resellers and retailers with a good price and packaging details of 48cm*37cm*28.5cm. The watch has a 1-year warranty and a supply ability of 30000pcs/month, making it a quality and cost-effective option for buyers.
