## Product Description

### Product Description:

The watch is equipped with a Diamond Quartz Watch movement, which ensures accuracy and reliability. The case back is made of Stainless Steel, which enhances durability and gives the watch a premium look. The strap material is Steel, which is comfortable to wear and complements the watch's overall design.

The Model Number for this watch is ML-1000, and its HS Code is 9101290010. This model is perfect for those who appreciate the traditional look of a classic wristwatch but want to enjoy the benefits of modern technology. It is compatible with both iOS and Android devices and can be easily connected via Bluetooth.

This watch offers a range of features, including call and message notifications, music control, and step tracking. It also has a sedentary reminder, which helps users stay active throughout the day. The watch comes with a long battery life, and it can last for up to five days on a single charge.

The Quartz Wrist Watch is perfect for those who want a timepiece that offers both style and functionality. Its classic design and modern features make it a versatile accessory that can be worn on any occasion. The watch is easy to use and is ideal for everyday wear. Ordering this product is easy, and the lead time is around 3-5 Days. It comes with a user manual that provides all the necessary information on how to use the watch. Overall, the Quartz Wrist Watch is a perfect blend of style and technology, making it an ideal accessory for anyone who wants to stay connected while looking stylish.
