## Product Description

### Product Description:

Featuring a genuine diamond on the watch face, this Quartz Wrist Watch is not only stylish but also functional. The watch face is easy to read and the quartz movement ensures accurate timekeeping. The watch also comes with a 1-year guarantee, giving you peace of mind knowing that your investment is protected.

Transporting the watch is a breeze thanks to the convenient packaging. Each watch is individually placed into an OPP bag and then packaged in sets of 5. These sets are then placed into white boxes, which can hold 20 to 25 watches. Finally, 200 to 250 watches can fit into a single carton, making it easy to transport and distribute to retailers.

While this watch is a classic choice, it also has modern features. The AMOLED smart watch technology allows you to connect to your phone and receive notifications, track your fitness, and control your music. This feature adds a level of convenience to your life, making it easier to stay on top of your daily tasks.

In conclusion, the ML-1000 Genuine Diamond Quartz Watch is a must-have for anyone who wants a classic men's wrist watch with modern features. Its charm, fashion, and luxury make it a great addition to any outfit, while the genuine diamond and quartz movement ensure functionality. Plus, the convenient packaging and 1-year guarantee make it an easy and worry-free purchase.
