Product Description

Hollowed Out Design Wrist Waterproof Quartz Movement Watch with Stainless Steel Strap

Product Description:

Waterproof and Durable

Our Leather Watch is designed to withstand the elements with its 3 ATM waterproof rating. This means it can withstand splashes and brief immersion in water without any damage. So whether you're caught in the rain or need to wash your hands, you can rest assured that your watch will remain unscathed.

Features for Added Convenience

In addition to its stylish and durable design, our Leather Watch also boasts some convenient features to make your life a little easier. The watch includes a date display, so you can always stay on top of your schedule, and luminous hands, making it easy to tell the time even in low light conditions.
