Product Description

Product Description:

The Stainless Steel Strap Watch is a sleek and stylish timepiece designed for the modern woman. With its elegant design and durable construction, this watch is perfect for everyday wear or special occasions.

Strap Type: Metal

The strap of this watch is made from high-quality stainless steel, giving it a luxurious look and feel. The metal strap is not only stylish but also durable, ensuring that this watch will last for years to come.

Dial Window Material Type: Mineral

The dial window of this watch is made from mineral crystal, a type of glass known for its scratch-resistant properties. This ensures that the dial of the watch remains clear and easy to read, even after extended wear.

Movement: Quartz

This Stainless Steel Strap Watch is powered by a reliable quartz movement, providing accurate timekeeping and ensuring that you are always on time. The quartz movement is known for its precision and low maintenance, making it an ideal choice for a lady watch.

Material: Alloy

The case of this watch is made from durable alloy, which is both lightweight and strong. The alloy material gives the watch a modern and sophisticated look, perfect for the modern woman who values both style and functionality.

Water Resistance: 30 Meters

This watch is water-resistant up to 30 meters, making it suitable for everyday wear and minor water-related activities such as hand washing or light splashes. However, it is not suitable for swimming or diving.

Overall, the Stainless Steel Strap Watch is a versatile and stylish timepiece that combines elegance with functionality. Whether you're dressing up for a special occasion or simply need a reliable watch for everyday wear, this lady watch is sure to impress with its impeccable design and quality construction.
