Product Description

Men's Sapphire Glass Waterproof Arabic Dial Stainless Steel Strap Watch

Guangzhou Miller Watch Co., Ltd. (Miller) is a watch powered by a battery, in which the timekeeping is regulated by a quartz crystal that vibrates at a certain frequency. Quartz watches differ from mechanical watches in that they are typically more accurate, and self-sustaining for 12 months or more.

Industry-specific attributes

Dial Window Material Type	Crystal
Band Material Type	Stainless Steel
Case Material	Stainless Steel

Product Description:

The case back of this watch is designed with laser printing logo detailing, adding a touch of elegance and branding to the overall look. The stainless steel strap not only provides durability and longevity but also gives a sleek and modern appearance that complements any outfit effortlessly.

Available in two striking bezel colors - silver and black, this watch allows you to choose the option that best suits your personal style preference. The contrasting dial colors of white and black further enhance the overall design, creating a visually appealing timepiece that is sure to catch the eye.

Designed for both functionality and fashion, this men quartz watch is perfect for those who appreciate a blend of style and precision in their timepieces. The stainless steel strap ensures a comfortable and secure fit, making it ideal for everyday wear. For the fashion-forward individual, this lady quartz watch is a must-have accessory that exudes sophistication and class. The combination of the stainless steel strap and sleek design makes it a versatile piece that can be dressed up or down for any occasion.
