Product Description

Modern Stainless Steel Watch with Mineral Dial and Luminous Hands

Premium Timepiece for Style and Functionality

The Miler ML-1112A watch combines elegance with practicality, featuring a mineral dial available in silver or black to match your personal style. The silver dial offers a classic, timeless look, while the black dial provides a modern, sophisticated appearance. Engineered for reliability, this quartz-powered timepiece ensures precise timekeeping. The deployment buckle clasp provides secure wear, making it ideal for both professional and casual settings.

Versatile Design for Every Occasion

Perfect for daily wear, business meetings, or special events, this watch transitions seamlessly from day to night. Its 30m water resistance makes it suitable for outdoor activities like hiking and sports.

Product Features
